Certificate

It is hereby certified that the plans submitted in Form BR-1 for the building detailed above, are in accordance with the Haryana Building Code - 2016 and the approved zoning plan of the plot. The structure has been designed in accordance with the provisions of the National Building Code and the relevant Indian Standard Code (with latest amendments) including Bureau of Indian Standard Codes for structures resistant to earthquakes and other natural hazards. The local soil conditions, its load bearing capacity and the underground water table etc. have been kept in view while designing the same.
